

Stoughton Sports Boosters, Inc

2364 Jackson St. PMB 135, Stoughton, WI 53589

StoughtonSportsBoosters.org

Thank you for considering becoming a Stoughton Sports Booster Club Corporate Sponsor!

The Sports Booster Club is a non-profit 501(c)(3) organization that supplements the high school athletic department budget throughout the school year to support ALL athletic programs.

For 2020-2021, some of our focus areas to support will be: Training Equipment, Facility/Equipment Upgrades, Uniforms, and Scholarships. Over the last 5 years we have been able to give back over \$200,000 to Stoughton Athletics because of the generous support from our community. **It is great to be a VIKING!**

What is Neptune Sound System?

Stoughton Area Athletics chose to move to a more professional sound system when airing music before and during home sporting events. If you have attended any home games, you have heard announcing similar to what you would hear at a UW Badger event or Milwaukee Bucks game! This sound system is also used in the weight room at the high school during the school day and during team workouts.

More information on the benefits of Neptune: <https://www.neptunenow.com>

The Scorer’s Table at regular season basketball, volleyball, and wrestling events in the main gym will have a scrolling visual advertisement that can be viewed by all fans to see!
